

New blood collection and prevention center: Walk-in laboratory in the heart of Fribourg

From March 2024, we have expanded our range of services with the opening of a new test center "TestPoint" in the city of Freiburg. The new location offers the following services:

- Blood collection
- TestPoint for sexually transmitted infections (STI)
- Health check-up
- Nutrition check-up

These comprehensive services of the new TestPoint are available to all our customers and patients as well as interested medical practices. Our range of TestPoints is constantly being expanded. Updates and information can be found on our website www.mylabpoint.ch.

Key facts of the new TestPoint in Fribourg:

TestPoint Grand-Place • LabPoint Laboratoires Médicaux SA
Grand-Places 16, 1st floor • 1700 Fribourg
079 552 31 95

Walk-in during regular opening hours:

- Monday to Thursday: 08:30-12:30, 13:30-16:30
- Friday: 08:00-10:00

All information and addresses for our new location in Fribourg and all other TestPoint locations in Switzerland can be found on our website at:

www.mylabpoint.ch/en/contact.

Detailed information on the available test profiles can be found on our website at:

www.mylabpoint.ch/en/testpoint.

Our employees are also available on site for advice and questions.

We look forward to welcoming you and your patients to our new TestPoint and optimizing healthcare together.

With kind regards
Your LabPoint team
